展会概况

EXHIBITION OVERVIEW

2026 上海国际重型机械装备展览会将于 2026 年 9 月 21 日 -23 日在上海新国际博览中心举办。重型机械展创办于 1999 年，是我国重型机械行业唯一的专业性展会，已发展为全球重型机械领域具有重要影响力的国际盛会，是展示行业创新发展成果的核心平台。

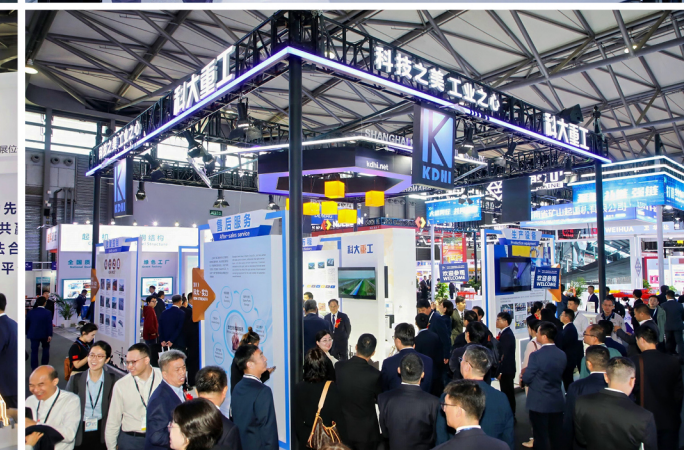

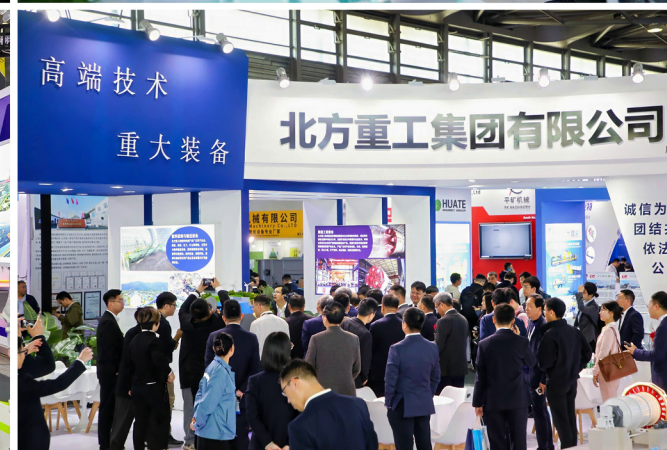

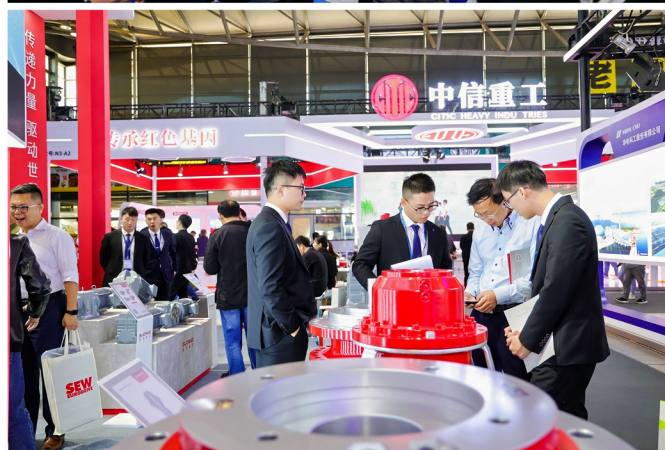

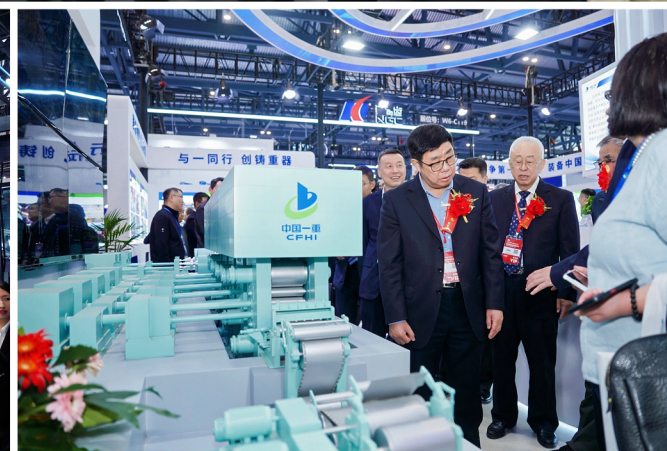

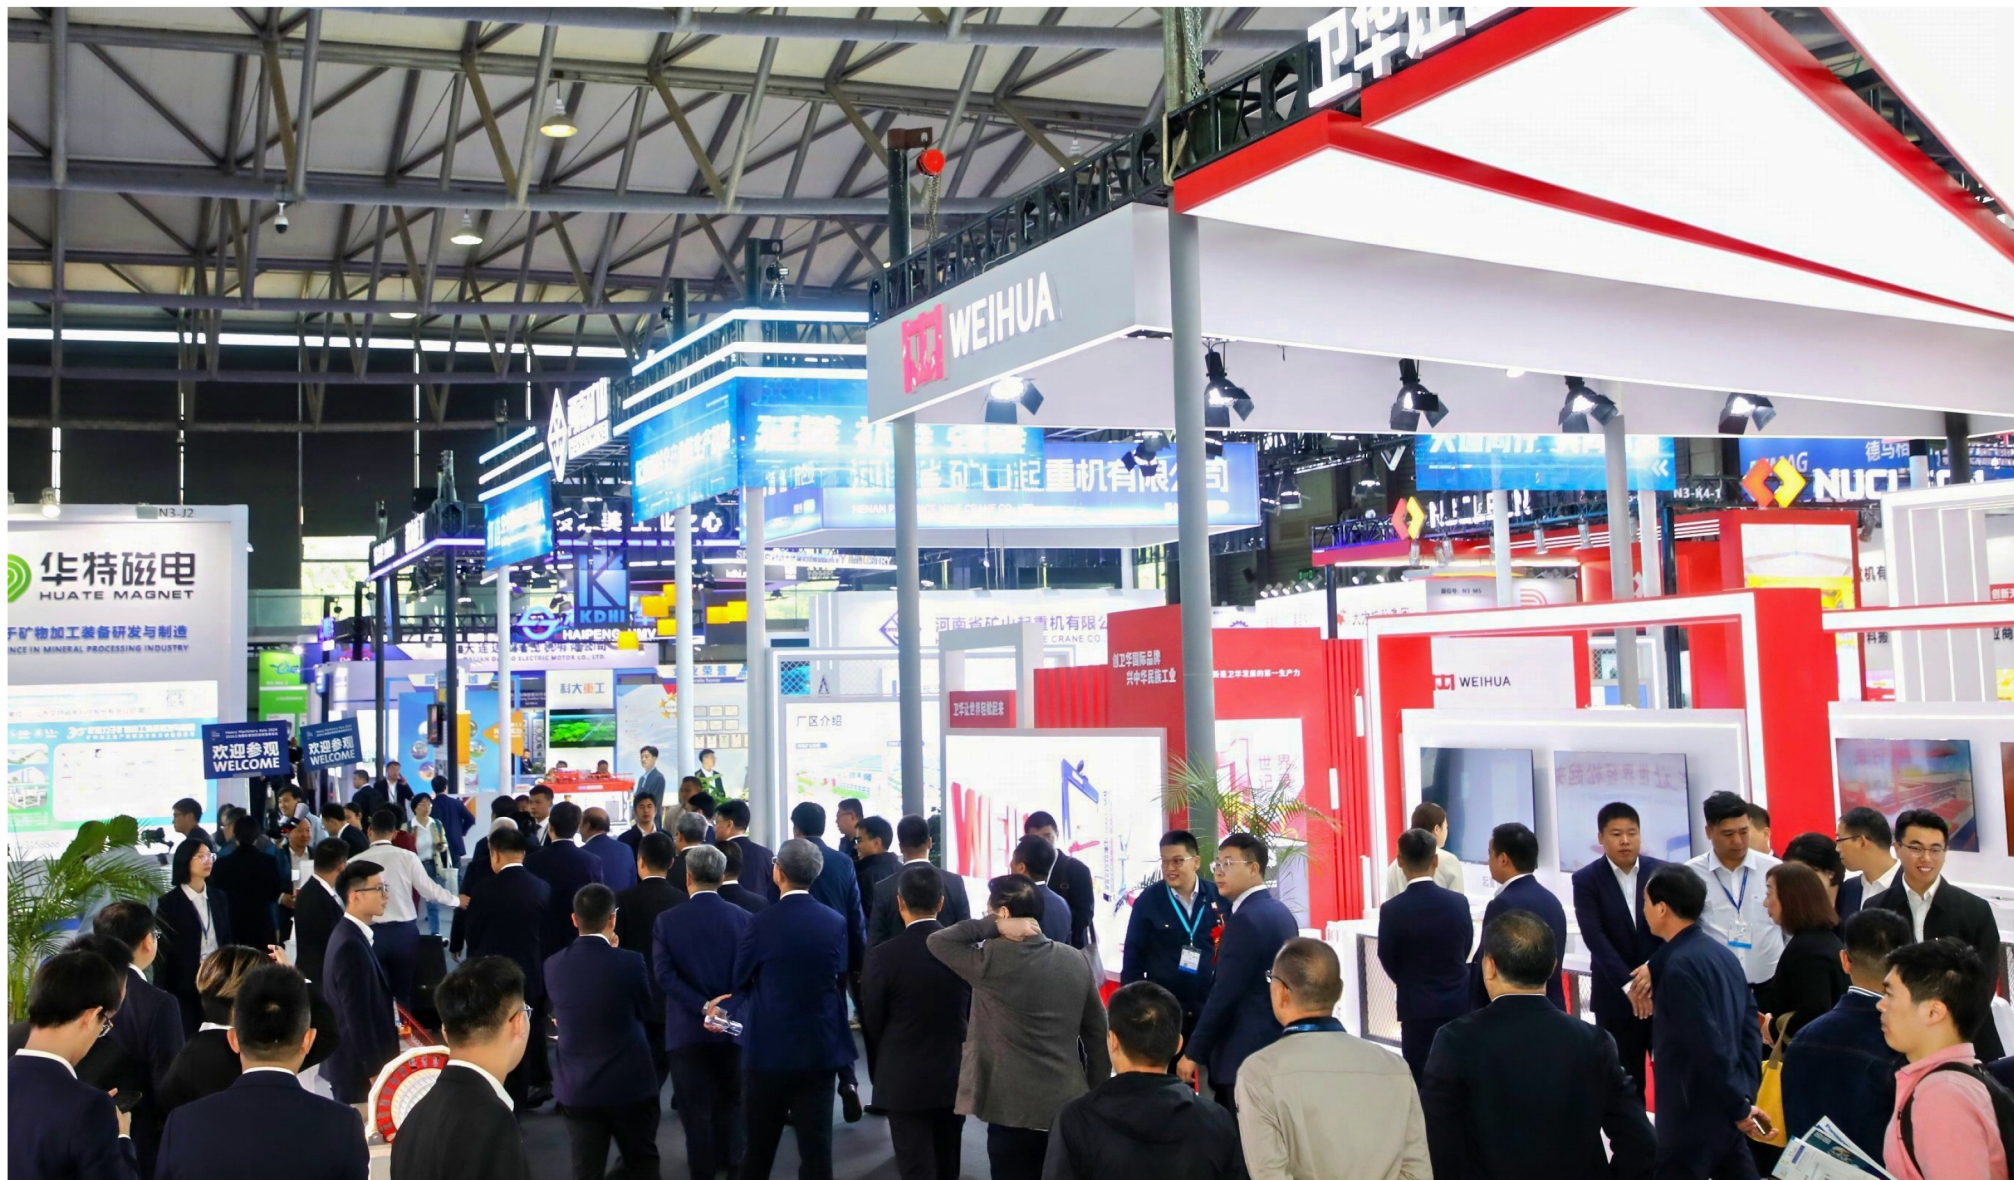

本届展会展出面积 12,000 平方米，同期联动冶金工业展、管材展、工业炉及热处理展、钢结构建筑产业链展、切割与焊接展、线材展、耐材展、工业环保展等多个上下游专题展会，共同构建 15 万平方米产业链平台，预计将汇集超 1000 家企业参展参会。观众群体覆盖钢铁、有色、煤炭、电力、港口、建材、交通、船舶等重点行业。

展会重点围绕重型机械领域关键技术攻关与产业链协同创新，汇聚国内外重型机械行业领军企业、重点科研院所、知名高校及权威专家，集中展示我国重型装备领域“从制造到创造”的突破性成果。重型机械展旨在搭建推动科技创新、产业发展、供需对接、投资合作的高端平台，既是集中展示全球重型机械行业创新发展成果的权威窗口，也是企业宣传实力和形象，展示产品和技术的绝佳机会。

The Heavy Machinery 2026 will be held at the Shanghai New International Expo Center from September 21 to 23, 2026. Founded in 1999, the Heavy Machinery is the only professional exhibition in China's heavy machinery industry. It has evolved into a globally influential international event in the world's heavy machinery sector and a core platform for showcasing the innovative development achievements of the industry.

The exhibition covers an area of 12,000 square meters and runs concurrently with multiple related specialized exhibitions, including the Metallurgical Industry Expo, Pipe & Tube Expo, Industrial Furnace & Heat Treatment Expo, Steel Structure Construction Industry Chain Expo, Cutting & Welding Expo, Wire & Cable Expo, Refractories Expo, and Industrial Environmental Protection Expo, jointly creating a 150,000-square-meter industry chain platform. It is expected to attract over 1,000 enterprises to participate. The audience comprises key industries such as steel, non-ferrous metals, coal, electricity, ports, building materials, transportation, and shipbuilding.

The exhibition focuses on breakthroughs in key technologies and collaborative innovation across the industrial chain in the heavy machinery sector. It brings together leading enterprises, key research institutes, renowned universities, and authoritative experts from both China and abroad to collectively showcase the transformative achievements of China's heavy machinery industry in its journey “from Made in China to Created in China.” Aiming to build a high-end platform for driving technological innovation, industrial development, supply-demand matchmaking and investment cooperation, the Heavy Machinery Exhibition serves not only as an authoritative window for showcasing innovative achievements across the global heavy machinery industry, but also as an exceptional opportunity for enterprises to demonstrate their strengths and brand image, and to present their products and technologies.

展览范围

SCOPE OF THE EXHIBITION

冶金机械
Metallurgical machinery

轻小型起重设备
Series lifting equipment

物流仓储设备
Logistics warehousing equipment

高校 / 重点实验室先进科技成果、技术转移转化项目
Advanced scientific achievements and technology transfer and commercialization projects from universities/key laboratories

冶金、矿山、起重运输机械配套产品
Metallurgical, mine lifting and transportation machinery fittings

矿山机械
Mining machinery

输送机械
Conveying machinery

润滑液压设备
Hydraulic lubrication equipment

起重机械
Hoisting machinery

工业车辆
Industrial vehicles

大型铸锻件
Heavy casting and forging

工业母机
Industrial mother machine

2026 亮点

EXHIBITION HIGHLIGHTS

优选行业内具有代表性、创新力和技术实力的头部企业和“专精特新”企业，集中展示重型装备领域“从制造到创造”的突破性成果。

The exhibition will select leading enterprises in the industry that are representative, innovative, and technologically advanced, as well as specialized and sophisticated enterprises, to showcase breakthrough achievements in the field of heavy equipment from manufacturing to creation.

数十场精彩报告，汇聚国内外行业领军企业、重点科研院所、知名高校及权威专家，分享专业成果及行业发展趋势。

Dozens of exciting presentations will bring together leading enterprises, key research institutes, renowned universities, and authoritative experts from both China and abroad to share professional achievements and industry development trends.

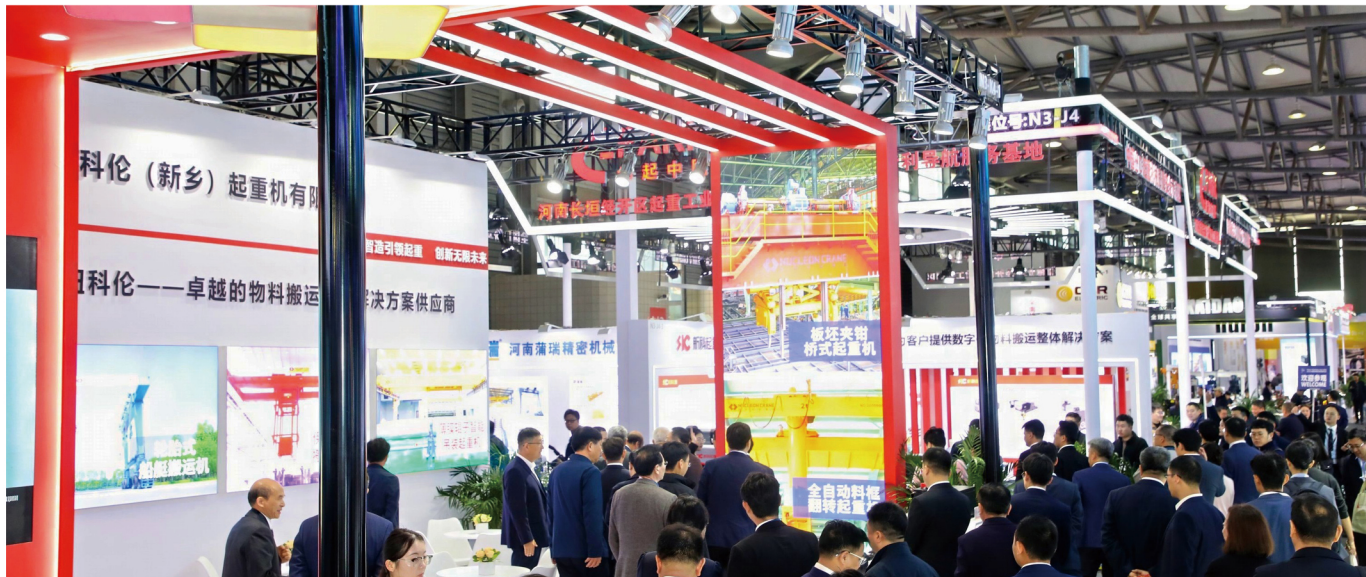

整合原材料、核心装备、工程服务、智能制造等关键环节，搭建上下游对接平台，促进产业链协同创新，提供高效资源整合。

Integrating key areas such as raw materials, core equipment, engineering services, and intelligent manufacturing, building an upstream and downstream connection platform, promoting collaborative innovation across the industrial chain, and providing efficient resource integration.

强化观众邀约的精准度，重点面向钢铁、建筑、交通、能源、船舶、装备制造等核心用户行业，提高供需匹配效率。

The exhibition will strengthen the accuracy of audience invitations by focusing on core user industries such as steel, construction, transportation, energy, shipbuilding, and equipment manufacturing, thereby improving supply-demand matchmaking efficiency.

媒体宣传

MEDIA PROMOTION

展会汇集国内外权威媒体，全方位展示展会状态、企业面貌与产品亮点。不仅为参展企业提供展商风采、企业动态等前期推广服务，展会期间将会开启展会直播、图片直播、文字报道、视频报道、人物采访、展台访问等宣传展示服务。

The exhibition will bring together authoritative media outlets from across the globe to provide comprehensive coverage, highlighting the event's dynamics, corporate profiles, and product innovations. It will not only offer pre-event promotional services such as exhibitor showcases and company updates, but also provide promotional and display services during the exhibition, including exhibition live streaming, photo live streaming, text coverage, video coverage, interviews, and booth visits.

上海新国际博览中心 N1
Shanghai New International Expo Center N1

为充分发挥“2026 重型机械展”作为行业核心平台的集聚效应，本届展会将与冶金工业、钢结构、管材、线材、耐材等多个上下游专题展会及配套活动同期联动，构建全产业链展示与交流生态，全面提升展出效果与产业融合价值。

To fully leverage the combined effect of the “Heavy Machinery 2026” as a core industry platform, this edition of the exhibition will be held concurrently with various upstream and downstream thematic exhibitions and supporting activities in metallurgy, steel structures, pipes, wires, refractories, and more, creating an ecosystem for full industry chain display and exchange, and comprehensively enhancing the exhibition effectiveness and the value of industry integration.
